Sutter Talks Heart Health

FAIRFIELD, Calif.—With heart disease being the leading cause of death in women and men, now is the time to learn how to take control over this disease. Sutter Regional Medical Foundation (SRMF) will host an important heart health event on Tuesday, March 3.

Speaking at the event will be Edward Yoon, M.D., a board-certified cardiovascular disease specialist on staff at Sutter Solano Medical Center and Sutter Regional Medical Foundation. He will lead a discussion on prevention, risk factors and treatments for this widespread disease.

The lecture will be held at 6:30 p.m. on Tuesday, March 3 at the SRMF Care Center located at 2700 Low Court in Fairfield. In addition to light refreshments, giveaways and free American Heart Association cookbooks to the first 20 attendees (one per family), Dr. Yoon will answer questions following the lecture. The public is invited to attend this event, but seating is limited. To reserve a spot or for more information, please call 707-428-2747.
